Hi Glen,

I'm glad I was able to reach you and, as always, nice to hear your cheery voice and catch up.

The attached fax notice from EPA Alaska Office is the last of a series of efforts to notify communities, boroughs, and others of EPA's trip to Dillingham next week. It outlines how the day will proceed and hopefully the weather cooperates so that the potluck and both afternoon meetings are able to occur.

Please let us know if the borough will be attending and how many. Borough reps are invited to the potluck that Curyung Tribal Council is spear-heading and another reason it would be helpful to know ahead of time.

Thanks and keep an eye out for N8761 Charlie one of these days....

Sue

P.S. I'm also trying to get a hold of Marv Smith/BBB.
